BEAVERTOWN.

On Sunday, Feb. 2, 1896, Samuel Winter, the oldest citizen our town had, closed his eyes in the last long sleep. He was born in Bern township, Berks county, Dec. 5, 1809. When quite a young man he came to this county with his parents and devoted his life to the pursuits of agricultural labor in which he succeeded in amassing sufficient means to allow him undisturbed recreation in after years. In 1828 he connected himself with the Lutheran church, to the creed of which he remained faithful to the end. The Sabbath school was a source of special delight to him, and after many a recitation did his tottering frame lean over the back of a seat to hand money to the teachers of primary classes. On Sept. 12, 1836 he married Elizabeth Dreese, who died March 17, 1890. He lived to speak his blessing over two children, eight grand-children and seven great grand-children. Congressman Mahon's Letter.

House of Representatives, U. S. Washington, D. C., Jan. 28, 1896. B. F. WAGENSEILER, M. D.

Dear Doctor:—
Your letter of the 27th instant received, and in reply would say, that you had nothing to do with the appointment of Joseph Lombard, as my clerk of War Claims Committee. The clerk to a committee is a personal appointment, belonging to the Chairman of the Committee, and is made by him without consultation with any one. This always has been the practice. Appointments are often made of men who do not live in the State or district the Chairman is from. I will give you the facts and they will satisfy persons, who have been misinformed, that you had nothing to do with whatever. I was not a candidate for a Chairmanship, and, being in my second term, did not expect one. On the day the Committee were appointed, I was informed about two hours before they were announced, that I was to be made Chairman of the War Claims Committee, which was a surprise to me. The Committee were announced to me on Friday. Congress had then been in session nearly a month, and I found that over 1800 bills and 300 petitions had been referred to War Claims Committee. It was of the greatest importance that the Committee should be organized and get to work. I went to my home in Chambersburg on Saturday, and on my way I made up my mind to appoint Mr. Lombard as clerk. I telegraphed him to meet me in Harrisburg the following Monday on my way to Washington. He met me as I had requested, and I tendered him the position. This is the first time he knew he was to get the place. From this statement, you will see that you had no knowledge I was to be made Chairman, and would have a place to give to Mr. Lombard or any one else. Therefore, you, nor any other person, knew anything about it. I alone am responsible for the appointment. I made it for personal, and not political reasons. I did not place any conditions or limitations on Mr. Lombard. I did not know who he intended to support for State Senator in your district. I never asked him and do not intend to do so. That is purely a private matter with him. Yourself, Mr. Hummel and Doctor Tool are all my warm personal friends, and I entertain for all of you the highest esteem, and would rather suffer defeat myself than to interfere in your contest for the State Senatorship, and I hope my friends in Snyder county, will not for a moment think I would so far forget myself, as to do anything to bring about the defeat of either of you three gentlemen. You can make this letter public if you see proper, to satisfy Mr. Hummel and Doctor Tool and the Republicans of your county, that the rumors set afloat about your connection with Mr. Lombard's appointment, is not correct. Yours very truly,
(Signed.) THAD. M. MAHON.

The little daughter of Mr. Fred Webber, Holland, Mass., had a very bad cold and cough which he had not been able to cure with any thing. I gave him a 25 cent bottle of Chamberlain's Cough Remedy, says W. P. Holden, merchant and postmaster at West Brimfield, and the next time I saw him he said it worked like a charm. This remedy is intended especially for acute throat and lung diseases such as colds, croup and whooping cough, and it is famous for its cures. There is no danger in giving it to children for it contains nothing injurious. For sale by all druggists.

Threw Away His Canes.

Mr. D. Wiley, ex postmaster, Black Creek, N. Y., was so badly afflicted with rheumatism that he was only able to hobble around with canes and even then it caused him great pain. After using Chamberlain's Pain Balm he was so much improved that he threw away his canes. He says his liniment did him more good than all other medicines and treatment put together. For sale at 50 cents per bottle by all druggists.

DR. GREENE'S NERVURA.

Cured Gen. Buzzell, Department Commander of New Hampshire G. A. R.

The Famous Commander Writes to the People to Use Dr. Greene's Nervura. It Cured Him. It Will Cure You.

GEN. CHARLES E. BUZZELL.

Gen. Charles E. Buzzell, of Lakeport, N. H., Department Commander of New Hampshire G. A. R., has something of interest to say to the people in regard to the remarkable curative powers of Dr. Greene's Nervura blood and nerve remedy. Few men are more widely known than Gen. Buzzell, who is Street Commissioner of Lakeport, and the most prominent builder and contractor in the State. The General says:—
"I was terribly run down in health and as a result of over-work, became nervous, weak, tired and without my old-time energy and ambition. I grew so fearfully nervous that I could not rest nor sleep nights, but would be obliged to get up and walk about several times each night. I would get tired and nervous so easily and quickly that it became impossible for me to attend to my business. At the same time I had most severe and distressing backache.
"I took Dr. Greene's Nervura blood and nerve remedy and it helped me right away. My nerves were so strengthened and invigorated that the nervousness left me, and I could again sleep soundly nights, and wake mornings refreshed and feeling strong and vigorous. The backache is completely cured. I am now perfectly well and better able than ever to attend to my business. I have recommended this wonderful remedy to several others and it has cured

them all. I urge people to use it because I know it will make them well."
Gen. Buzzell's case was like thousands of others.
People from overwork, strain upon brain and nerve or other cause, break down in health, feel that they are physically weak and that their nerve strength, energy and power are greatly diminished. Just so sure as night follows day will prostration and debility, the wreck of nerves, brain and body, follow if a cure is not immediately sought.
Neglect is the fatal thing. Never allow the first symptoms—the tired feeling, the weakened nerves, the loss of power of endurance, the lack of snap and energy—to drift you into total loss of health. Take Dr. Greene's Nervura blood and nerve remedy now, and it will cure you as it cured Gen. Buzzell, as it has cured thousands upon thousands of others. It is the great curer of disease, the great strengthener of nerves, the great builder up of blood, the great invigorator of brain and body. It will make you well.
Do not class this most valuable remedy with patent medicines. It is a physician's prescription, and its discoverer, Dr. Greene, of 35 West 14th St., New York City, has the largest and most successful practice in the world in nervous and chronic diseases, and can be consulted free of charge, personally or by letter.
